

# EUROPEAN MEDISCIENCE AWARDS 2024

SPONSORED BY

**THURSDAY 13 JUNE 2024**  
**HOTEL INTERCONTINENTAL,**  
**PARK LANE, LONDON W1**

## ELIGIBILITY

To be eligible, the majority of the business of the company, and its subsidiaries, must be in the healthcare (animal and human), medical, pharmaceutical, biotechnology or life sciences sectors.

In addition, a significant part of the company's, and its subsidiaries', activities should involve scientific research and development which may or may not be product specific.

These awards are open to quoted mediscience companies on recognised exchanges throughout Europe, as well as European and UK-based companies that are quoted on NASDAQ.

For the Emerging Star category, this award was designed for private mediscience companies, although recently quoted public companies could also be considered, at the discretion of the Voting Panel.

**PERIOD UNDER REVIEW: 1 APRIL 2023 TO 31 MARCH 2024**
